FRIDAY MAY 14 At Spectrum

Everyone involved in the show at Hoffman Estates H.S. offers their sincere apologies for the actions taken by the school officials and the police department on that night. The bands that played and the people that organized the show were not aware that such ignorance and stupidity would be forced upon us. If you were manhandled or abused in any way, be sure to speak up and let those responsible know that you will not be treated in such a rude and inconsiderate fashion ever again.....

Our bodies contain the information, the knowledge of the entire evolution. Cut from our roots, separated from each other, longing. Sweat covered bodies fill the dancefloor. The uprising body breaks through the thin layers called consciousness and culture. For awhile we lose control, catching a glimpse of the unspeakable. A sense of harmony, of freedom. Let's do something with this and re-establish the connection. It is worth the struggle. It is the challenge, the only thing we've really got. Let's not waste our time, but explore and enjoy, experience and learn.....

Proceeds from this wonderful show will benefit the Disabled Committee of Schaumburg Township

EVERY WEDNESDAY WNUR AND NEW CITY PRESENT

"METRO 500"

Wednesday, March 08:

ETERNALUX, BOY KING, & THE BLUE UP?

Bringing together a wealth of experience and talent, Chicago's ETERNALUX creates songs appearing delicate yet empowered, exquisitely balanced with a strong sense of dynamics that work. BOY KING is dreamy. Not Bobby Sherman dreamy, but more like that of a dream where you feel like your falling. It's not a bad thing. It could be said that BOY KING is sleepy, but this is partly true. For at times they are rather loud striking out on their own terms and with their own ideas and ultimately their own sounds. THE BLUE UP?, a female power pop trio from Minneapolis, go way beyond the means reaching from Led Zeppelin and Pink Floyd to Tori Amos and Babes In Toyland.

Wednesday, March 15:

INTERNATIONAL HOODWINK, YUM YUM, & BUTTERFLY CHILD

Firmly entrenched in the local indie scene, Chicago's INTERNATIONAL HOODWINK. Stripped down from a ten piece to a four piece they bring to this bill their ear piercing sonic noise. From the members of Sabalon Glitz and Tart the eight-plus piece YUM YUM create space noise through guitars, cello, and violins. Opening up from Belfast, Hit It Records BUTTERFLY CHILD. Drawing comparisons from Robert Wyatt and John Cage to Spacemen 3 to My Bloody Valentine, they have received rave reviews from the overseas press including "Single Of The Week" mentions in both New Music Express and Melody Maker.

Wednesday, March 22:

THE GREAT BRAIN, COMBINE, & VAMBO MARBLE EYE

Recently formed from former members of Wag and Doghouse, Chicago's THE GREAT BRAIN headline this three band showcase. They bring to this bill a heavy concoction of power pop. From Norfolk Virginia, three guys who drink too much, smoke dope, watch "Star Trek" and play in a rock band, the hard and noisy outfit COMBINE. First on is Off White Records VAMBO MARBLE EYE with their wild-bred, loud, fast, and weird rock

Wednesday, March 29:

CAP'N JAZZ, STANLEY'S JOYFUL NOISE, SUPERGLASS, & TETSUO

Their guitarist has never owned a guitar, the singer is deaf in one ear, the other guitar player lives out of town and the bass player is heavily inspired by Michael Anthony of Van Halen. They have been called "The Nation of Ulysses meets the Smiths" and a "Fugazier Sunny Day Real Estate" On top of this Wednesday night bill CAP'N JAZZ. Chicago's STANLEY'S JOYFUL NOISE bring with them a sound of sonic organization, sure to please the ear, bring a tear and keep the body rockin. First on is the 40% unintentional macho bullshit, 20% sincerity and 40% confusion of TETSUO, offering up their fast, complexed noise.
