ROLLO TOMASI

THE HERCULOIDS DEBUTED ON CBS SATURDAY MORNINGS ON SEPTEMBER 9, 1967, AND RAN UNTIL SEPTEMBER 6, 1969. EACH SHOW INCLUDED TWO TEN MINUTE EPISODES AND FOLLOWED THE ADVENTURES OF A FAMILY OF ADVENTURERS: ZANDOR, TARA, AND DORNO, WHO ARE CONSTANTLY HAVING TO DEFEND THEIR HOME PLANET OF QUAZAR FROM ALIEN INVADERS. LUCKILY FOR ZANDOR AND HIS FAMILY, THEY HAVE THE HELP OF A BAND OF UNIQUE CREATURES, CALLED THE HERCULOIDS, TO AID THEM IN THEIR STRUGGLES: GLOOP, GLEEP (TWO PROTOPLASMIC CREATURES), ZOK (A LASER-SHOOTING DRAGON), IGOO (A STONE APE), AND TUNDRO (A GIANT ARMADILLO-THING).

SATURDAY, APRIL 29TH

ROLLO TOMASI : BURNED OR BURIED : MINE COLLAPSE
LIVEWIRE LOUNGE : 01.14.2016

The image features four Nixie tubes, which are vintage electronic displays, arranged in a row on a dark, reflective surface. Each tube is filled with a gas and contains a series of digits. The tubes are illuminated from within, causing them to glow with a warm, orange-yellow light. The background is dark and out of focus, emphasizing the tubes. The text 'livewire lounge' is written in a white, serif font at the top, with '1-14-16' below it. At the bottom, the text 'rollo tomasi ★ burned or buried ★ mine collapse' is written in the same font.

A nighttime photograph of a grand, classical building with a portico supported by twelve tall columns. The building is illuminated from below, casting a warm glow. Two American flags are visible on poles to the left and right of the portico. The sky is dark. The text "[04.21.18]" is centered at the top. Below it, the names of the performers "ROLLO TOMASI • PHANTOM NOISE • KARAT'S GOLD" are listed in large, bold, white capital letters. In the center, over the entrance, the word "nightshop" is written in a stylized white font, with "8PM" below it. To the right of the entrance, the building's name "SCOTTISH RITE OF FREEMASONRY" and other details are visible in smaller text.

A black and white photograph of utility poles and power lines against a dark sky. The poles are made of wood and have many wires attached to them. The wires are thin and dark, creating a complex web of lines across the sky. The poles are positioned vertically, with one on the left and one on the right. The sky is a solid dark color, providing a high contrast for the white text.
